**District:** 8- San Bernardino / Riverside  
**Contact:** Shelli Lombardo  
**Phone:** (909) 383-6290, (909) 383-4631

**WHAT: WINTER STORM ROAD CONDITIONS UPDATE**

**WHEN: JANUARY 4, 2005 (0800)**

**WHERE: SAN BERNARDINO AND RIVERSIDE COUNTIES**

Due to a major storm with heavy rain and snow the following state highways have been affected.

| HIGHWAY   | STATUS | REASON            | DURATION           |
|---|--------|-------------------|--------------------|
| US-95 from Nevada State Line to I-40                          | OPEN   |                   | Weather permitting |
| I-15 from San Diego County Line to San Bernardino County Line | OPEN   |                   | Weather Permitting |
| I-15 from San Bernardino County Line to Nevada State Line     | OPEN   |                   | Weather permitting |
| SR 38; SR138; SR173; SR 189; SR 330                           | OPEN   |                   | Chains Required    |
| SR 18 from SR 138 to Lake Gregory Drive                       | CLOSED | Active Slide Area | Unknown Duration   |
| SR 243 from Poppet Flats to Alandale                          | CLOSED | Active Slide Area | Unknown Duration   |

Chains are required on all mountain roads affected by snow or ice. Caltrans crews are working to clear the roadways and re-open them as quickly as possible - weather permitting. Safety is our number one concern and all motorists are urged to drive with caution.

Updates will follow when new information is received.
